

Dear Prospective Team Member,

I wanted to thank you for taking the time to look through this information and for considering the possibility of serving with us.

White Mountain Camps, founded as Happy T Ranch and Rumney Bible Conference, has been in existence for over 50 years. Each summer we serve campers and guest at White Mtn Ranch on Stinson Lake and also through White Mtn Retreats located seven miles away on the grounds of Rumney Bible Conference. During the last 50 years we have encourage thousands of young people to take their next spiritual step.

This summer we will once again be running our exciting program for 5 weeks at White Mtn Ranch, in conjunction with several weeks at White Mtn Retreat Center. Our approach is slightly different from most Christian camp programs. Our goal is to take the best elements of program camping (the team concept, morning and evening services, cabin counselors) and the best elements of adventure electives (hiking, rock climbing, horsemanship) and combine them for an unforgettable White Mountain Camps experience.

We are looking for summer staff members who will serve at both White Mtn Ranch, and White Mtn Retreat Center. In our plans, summer staff members—kitchen workers, maintenance assistants, program staff, and counselors—are the first lines of ministry. We are looking for young people who are passionate about serving God and are willing to intentionally and aggressively pursue the creation and growth of a Godward passion in the lives of others. Would you be interested in joining our team?

This summer, our theme of “Live Out Loud” kicks off with our leadership training Monday afternoon June 28, 2009. Leadership training is followed by camps and retreats. Our compensation package includes a small salary, (\$55 to \$175 per week depending on position, in addition to the opportunity of raising additional weekly support through our Summer Mission Corps program). Summer employees also receive a week of advanced Christian leadership training, coverage of ministry expenses (food, lodging, and team clothing) and a summer of opportunities to grow in grace while being an agent of Christ love in the lives of others!

If you are interested in joining our team for this summer, please look over the enclosed information and complete the Summer Staff Application.

Sincerely,

Brian Smoker
